THE RESIDENT
MYSORE

BANGALORE.
Dated 22 December 1899.

The Resident wishes to know how the site on which the Bangalore General Post Office building is constructed came into the possession of the Postal Department.

I understand that the building was erected in the pre-rendition days, and we are therefore unable to trace in our records any grant of the land or any papers connected with the subject.

Can you kindly give us any information that is available from the papers in your office.
